Brick Bash is like a big LEGO dream! When you step into the room, you will see *and do* some amazing things:

- Incredible LEGO models created by hobbyists from around the country.
- Tables piled with tens of thousands of LEGO, Duplo, and Bionicle parts for you to play with.
- Mechanical and motorized LEGO creations in action.
- LEGO creations made by people from the Ann Arbor.
- Free introduction to LEGO robotics.
- Hands-on building fun.

For more information, exhibiting or volunteering, see www.BrickBash.com.
